

*51 years and counting...
Have Fun and
Support Our Community!*

Where else can you experience live theatre, comedy, toe-tapping dance routines, and great live music with the added bonus of having a wonderful time and supporting the community?

At this year's Rhubarb Revue - That's where!

This year's show is a set-up of Vegas of the 60's. Elvis. Frank. Dean. Sammy. Glamorous Showgirls. Gin and Strands. When the mob ran the town and the city still had soul. All this, plus parodies of your favorite television of the era, sharp comedy, fabulous music, and political humor.

This year's Rhubarb promises to be jam-packed with entertainment! We'll interweave satiric skits, song, dance and the much celebrated Rhubarb roasts and toasts into a playfully wonderful evening of entertainment! We're also bringing back some timeless classics.

Get out your picnic baskets, prepare your feast, and for dessert plan to buy a piece of our "Wonderful Rhubarb Strawberry Crisp" made by the TVIC ladies. Come and spend an evening or a Sunday afternoon at the Rhubarb Revue. Beer, wine, our "Famous Rhubarb Daiquiri's", and other snacks are available for purchase at the show.

Sunday, April 29th at 2:00pm
Fridays & Saturdays: May 4th/5th and 11th/12th at 7:30pm.
